Why should you attend conferences?

3 Goals

1. Make Connections and Network

Meet like-minded researchers and colleagues; Build relationships

2. Present your work

Give a talk about your work; Explain your work in 2-3 min

3. Get inspired and motivated!

Learn about new research directions; Get feedback on your own work; See the people whose papers you've read

9 Pieces of Advice

**1. Practice talking about your
research! Practice, practice practice**

2. Attend talks **selectively**.

3. Get involved! **Be visible!**

4. Take notes!

5. Make a list of people you would like to connect with.

**6. Make it fun, but don't forget:
attending conferences is work.**

Be present.

7. Take breaks and recharge!

8. Attend social events!

**Breakfast, Coffee Breaks, Dinner,
Banquet, Reception, ...**

**9. It's about meeting new people
and like-minded colleagues.**
